

## ACCESSIBLE SERVICES AND THE AMERICANS WITH DISABILITIES ACT

Most individuals who cannot board, ride or get off a regular public transit bus because of a disability are eligible under the Americans with Disabilities Act (the ADA) for paratransit services. Lake Transit provides accessible door-to-door paratransit throughout its service area. These services are Dial-A-Ride in Clearlake, Lakeport, and Lower Lake; and "Flex Stop" service to locations within one mile of any regional bus route.

For riders using a wheelchair, walker, crutches or those who have difficulty climbing entry steps, all buses have platform lifts with handrails to lift the rider on and off the bus. Assistance is available just by asking the driver. Courtesy seating and wheelchair spaces with securement devices are available on the bus for a safe and secure ride.

All lifts will accommodate wheelchairs that weigh up to 600 lbs. (with passenger) and will fit on a platform measuring 48.5" long and 31" wide. Lake Transit cannot guarantee service if a mobility device exceeds these dimensions, and you may be stranded at a bus stop or transfer point if you attempt to use a larger device.

Passengers who have disabilities receive discount fare pricing by showing any of the following identification cards: the Lake Transit ADA Paratransit Certification Card, the federal Medicare I.D. Card, or the California Department of Motor Vehicles Disabled Person or Disabled Veteran I.D. Card.

If you believe that you may be eligible, please complete the enclosed Application for ADA Paratransit Eligibility and return it to the address given. We will respond within 21 days of receipt.
